

REMARKS

A Notice of Allowance was issued by the U.S. Patent Office in the above-identified application on June 24, 2005.

Applicant paid the Issue Fee in this application on September 20, 2005.

On January 30, 2006, U.S. Patent Office issued a Notice of Drawing Inconsistency with Specification, stating that there is an inconsistency between the drawings and the Brief Description of the Drawings in the specification of the application. Specifically, the Notice stated that Figure 3G contained in the drawings is not listed in the Brief Description of the Drawings in the specification.

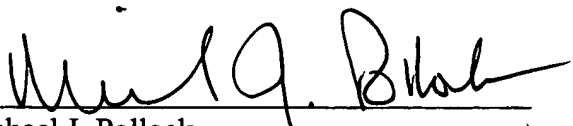

In response to the Notice, Applicant has amended the Brief Description of the Drawings in the specification to include a reference to Figure 3G, as indicated above.

It is believed that all outstanding issues regarding this application have now been satisfactorily addressed. If Applicant's assumption in this regard is incorrect, it is requested that the undersigned be contacted immediately at (415) 772-4902.

Respectfully submitted,
